NA 9328 PROF

COMPACT MACHINE, GREAT PERFORMANCE

Small, but with great performance at peak times. That is the NA 9328 Prof. This ice cream machine is perfect for starting ice cream sellers. Its small size makes the NA 9328 Prof suitable for almost any location.

The NA 9328 Prof has a capacity of 40 litres of ice cream and has a double-walled freezing cylinder with a capacity of 2.5 litres. With these features, enough ice cream can be served easily at busy times. Even when ice cream sales increase rapidly, the 9328 Prof offers the desired quality and capacity.
